THE HARVARD EXCHANGE

An arrangement with Harvard University is in operation, by which that institution, each year, sends two professors for a half-year to six western colleges, among which are: Beloit, Carleton, Colorado College, Grinnell, Knox, and Pomona, dividing the time equally among them. Each of them, in turn, sends a member of its faculty to Harvard for a half-year, one third of the time to be given to instruction, and the remainder to graduate or research work.

The Harvard Exchange Professor in Colorado College for 1925 is George David Birkhoff, Professor of Mathematics at Harvard University.

The Red Lantern Club

The Red Lantern Club is an honorary organization of Senior men. Members are chosen on the basis of their accomplishments during their underclass days and for their promise of service during their Senior year. Each spring the society observes "Tap-day" at which time the newly-elected members are chosen and tapped.

The purpose of the Club is to strengthen and perpetuate all worthy College activities and to advance those things which might die through lack of leadership.

A Night in an Inn

Pearson's Dramatic Club presented as their first production of the year "A Night in an Inn." The play was given along with the two Girls' Dramatic Club productions at Cogswell Theatre on October 10. It is an impressive bit of melodrama, presented in semi-darkness, and highly effective throughout.

CAST:

The Trimplet

The first of the one act plays presented by the Girls' Dramatic Club at Cogswell Theater on October 10, "The Trimplet" is a delicate little fantasy, with its allegory brought out in pleasing poetic fashion. It centers about the help given four discontented characters by "The Person Passing By."

CAST:

Lady Bobolara	JEAN BRAIDWOOD

The Twelve Pound Look

The second of the one act productions given by the Girls' Dramatic Club on October 10, "The Twelve Pound Look" is a highly entertaining little comedy, dealing with an interview between the independent Kate, who is making her own way by stenographic work, and the self-satisfied Sir Harry Sims, her former husband.

CAST:

The Gazing Globe

Three one act plays were presented at Cogswell Theatre on November 21 by the Girls' Dramatic Club and Pearson's Dramatic Club. The first of these, "The Gazing Globe," is a high flown tragedy in a South Sea Island setting. It deals with the influence of a mystic gazing globe on a romantic young princess whose lover returns to her, disillusioned and world-weary.

CAST:

Ohano	Lorraine Elser
Zama	Helen Sewell
Nijo	Douglas McHendrie
Yolande Ingle—	-Coach

Eugenically Speaking

Another of the three plays presented on November 21, "Eugenically Speaking" is an amusing comedy, sprinkled with considerable light humor. In it is portrayed the predicament of a young lady with advanced ideas who decides to choose her husband according to theory, and selects a street car conductor as the most likely choice.

CAST:

The Clod

"The Clod" was the third of the series of plays presented by the two dramatic clubs on November 21. This Civil War thriller was one of the most effective plays given on the College stage this year. In addition to a highly dramatic plot, "The Clod" gives an opportunity for strong character portrayal in the part of Mary Trask.

CAST:

Mary Trask	HARLEYN WEST
Thaddeus Trask	Mark Shaffer
A Southern Sergeant	Frank Strachan

Eager Heart

This beautiful Christmas allegory was presented by the Girls' Dramatic Club at Cogswell Theatre on Sunday, December 14. The beauty of the play, which centers about the finding of the Christ Child by Eager Heart, is enhanced by the Christmas music that accompanies it. The presentation of "Eager Heart" every year just before Christmas time is a custom that becomes more beautiful each year.

Sherwood

The Senior class of 1924 presented as their graduation play "Sherwood," by Alfred Noyes. The play was given in the Burns Theatre on the night of June 6, 1924. "Sherwood" is a play dealing with the adventures of Robin Hood and his band of merry outlaws in Sherwood Forest. A touch of enchanting fantasy is given to the play by the character of Shadow-of-a-Leaf, who in the end gives up her fairy's existence so that Robin Hood and Maid Marian will be happy.

Three Live Ghosts

"Three Live Ghosts," the Junior Farce, was presented at the America Theatre on February 26. The play is a highly entertaining comedy, full of pleasing and amusing situations. The chief humor in the plot comes from the actions of "Spoofy," an English gentleman suffering from shell shock and kleptomania, and the "Old Sweetheart," a confirmed toper. The play was coached by Prof. R. F. Stanton.

Men's Debating

Manager Glenn McLaughlin's call for debaters was answered by the largest number of men out for this activity in recent years. Tryouts were held and a team was picked consisting of Robert Spurgeon, Frank Smith, William Lamberson, Emmet Moody, Cecil Read, Sherman Sheppard, and Pinfang Hsia.

The first contest of the year was the Debate Conference held in Denver, March 1 and 2. Debaters representing Colorado College, Denver University, Colorado Agricultural College, and the State Teachers' College attended the conference. In the first debate the C. C. team won from Denver University two votes to one. A non-decision debate was held with the Aggie team, and in a mixed team contest with Greeley the audience awarded the decision to the affirmative team of Sherman Sheppard and two Greeley debaters against the negative team of William Lamberson, Frank Smith, and one Greeley debater.

On March 4 a mixed team debate was held with Western State, Cecil Read speaking for the affirmative and Frank Smith for the negative. The affirmative team won the decision of the audience. On March 8 the Intermountain Union College of Montana debated here, the affirmative team of Cecil Read, Dorothy Rehm, and one I. U. C. debater winning over the negative team of Virginia Russell and two I. U. C. representatives.

On April 1 Pinfang Hsia and Emmet Moody paired off with two Arizona U. debaters in a mixed debate. The audience decision was a tie vote. The next night the C. C. team of Sherman Sheppard and Robert Spurgeon lost in a straight debate to the Indiana University team.

All the debates of the year were on the question "Resolved: That Congress should have the power of re-enacting by a two thirds vote, legislation declared unconstitutional by the United States Supreme Court."

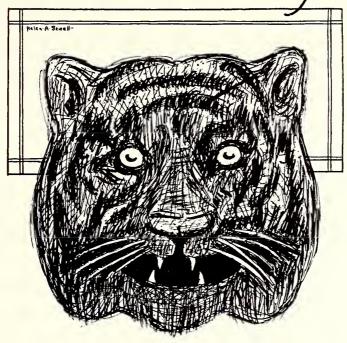

Womens' Debating

Womens' debating this year was more popular and better organized than in some time past. Tryouts for the squad were held on January 13, and out of those trying out the following teams were selected: Affirmative: Susie Sanford, Dorothy Rhem, Ruth Lefwenhagen: Negative: Louise Pitkin, Elsie Baier, and Virginia Russell. Miss Baier was chosen manager.

On February 10 the Colorado College negative team debated Wyoming University's affirmative team here, on the question: Resolved, that Congress may, by a two thirds vote, re-enact laws declared unconsitutional by the United States Supreme Court." At the same time the C. C. affirmative team debated the State Teachers College negative on the same question at Greeley. At various other times during the year the teams debated in mixed debates between several other Colleges.

Since the adoption of the constitution of the Associated Students, the Tiger has been put on a sound financial basis and has increased in popularity and success. This year the staff has been rearranged so as to make the editorial work more efficient and the quality of the paper has been greatly improved. The Tiger is now published on Tuesday and Friday of each week. The Editor and Manager are appointed each spring by the Publications Committee.

The Student Handbook

The Student Handbook, or "Freshman Bible," is compiled each summer for the especial benefit of the freshmen who start school in the fall. The "Bible" tells the freshman about the traditions and rules governing his life as a Colorado College student. In it one may find information on all subjects pertaining to the College. Russell DeFries published the 1924 Handbook.

The Mens' Glee Club

The Men's Glee Club is one of the oldest institutions on the Campus. This year the Club, with a varied program, took a successful trip to Western Colorado, and gave several concerts in towns near Colorado Springs. The Octet, which last year won a mantel clock in Intercollegiate competition in Denver, entered this year's competition at the University Club.

Girls' Glee Club

This year the Girls' Glee Club was definitely reorganized. Instead of the usual large membership, it included only a small active membership with a waiting list. If, for any reason, active members failed in regular participation, they were supplanted by girls from the waiting list. The new system proved a decided success.

The Club gave its annual concert and a Radio concert this year, besides a number of minor engagements.

The Colorado College Band

The College Band stands out as one of the leading musical organizations on the campus. It took a prominent part at all games and celebrations, accompanying the football team on two of its invasions. Later in the season the Band appeared in Chapel, and gave a concert in which its real ability was shown. This organization lends much to the enthusiasm and spirit of the College and is to be commended for its activity during the past season.

The Colorado College Boosters Club

This book would not be complete without a word of appreciation for the Boosters Club. In supporting all worthy College activities, in effecting a closer friendship between townspeople and students and in helping raise Colorado College to higher standards of excellency, the Club has always done more than its share. The student body is deeply indebted to the Boosters Club and hopes to deserve its favor in the future.

MAY FETE

In May of each year our own Jungleland is the setting for a time-honored tradition, the May Fete.

Some few days prior to this festival, the men of the College elect the May Queen. The name of the lucky miss is not revealed until the afternoon of the Fete. At that time her identity is made known and the charming eo-ed is eeremoniously erowned "Queen o'May."

FLAG RUSH

On the first Friday of each school year a handful of determined Sophomores and a mob of badly confused Freshmen chew the mud about the Cutler flagpole. The mud for this entanglement is always willingly supplied by upperclassmen who play about the premises with several feet of firehose.

The occasion for this bedlam is the interesting (for the spectators) and rough (for the participants) Flag Rush. The zero hour is 6 A. M., at which time two bloodthirsty elasses are promptly lost in a sea of mud.

HIGH SCHOOL WEEK

Along about the first week in May, Colorado College is host to all the High Schools of the State. A two day program is arranged for the guests and some form of entertainment is provided for them every minute of the day. Society teas, open house, a track meet, vaude-ville and an All-College dance help to make this an event that is sure to favorably impress the visitors with our good will toward them.

THE GARDEN OF THE GODS

Colorado College students, living near so many places of scenic interest, are apt to miss a great number of them because of the neverceasing round of college activities. But no one forgets the Garden of the Gods, with its gigantic rocks and fantastic formations. Until recently the All-College Picnic was held in the Garden.

HOMECOMING

A mile of floats, firecrackers, clown bands and a hilarious, whooping throng of C. C. students is our usual method of announcing to the whole wide world that Homecoming now holds the limelight.

This is the event of all events. The time of the year when old Grads rush madly back and talk over the yesterdays.

Two days of dances, banquets, smokers, pep meetings and a football game jammed with thrills furnish one with enough to talk over until next Homecoming.

SOPHOMORE BANQUET

To be perfectly frank, the Sophomore Banquet is confined to the serving of mere sandwiches, and whatever other form of nourishment that can be consumed hand to mouth fashion. If the second year men can hide away in some remote spot and consume food without Frosh interference, the banquet is considered highly successful—to the Sophomores.

TUG OF WAR

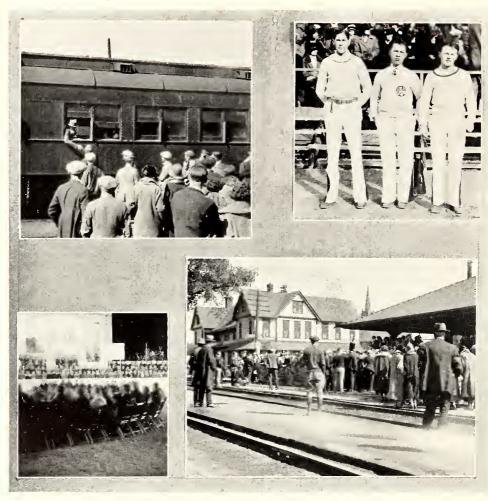

This always happens during Homecoming—unless there is ice on Monument Lake. The Sophomore Banquet does not settle class superiority—and the Sophs and Frosh frantically try to drag each other through the water. Someone is sure to get wet—if the rope doesn't break.

SOPHOMORE BARBECUE

The Sophomore Class annually provides the student body with an evening of feast, fun and frolic in the form of an old-fashioned barbecue. Stunts by the men and women of the class are the chief amusements. After this a huge "bread line" is formed and delicious eats are handed out.

1926

PEP MEETINGS

Football days are the most exciting days of all the year. On the night before the battle townsmen and students pack the Cossitt stadium and howl the warriors on to victory.

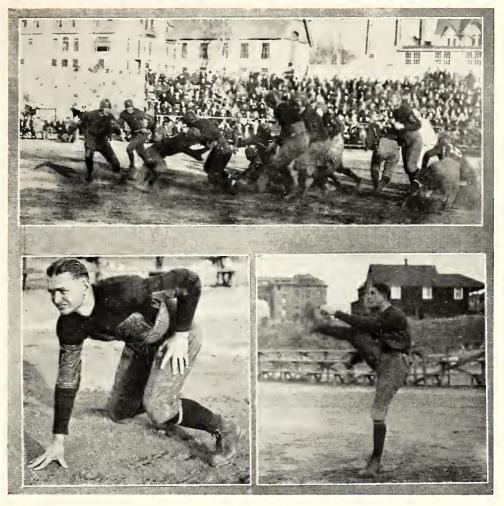

These Tiger pep meetings have done much to keep the old fighting spirit out of the dust. All through the fall, nightly cries of "Fight 'em Tigers" shatter the far heavens.

FOOTBALL TRIPS

Football trips are most enjoyable coming and going. We can't always win but even a trip after defeat can be of interest to the boys.

Students show their support of the team by going to the station to see them depart for important games. This gives the Tigers a good send-off and makes the student body have confidence that we will not be defeated.

FOOTBALL

The pictures above need no explanation. We would like to know what college life would be without a football team and the thrills that come with hotly contested games. The Tigers are not always championship winners but they are everywhere noted for their fighting spirit and sportmanship. Tigers—the name suits them exactly as everyone who knows them will say. The snapshot above shows Captain Burghart going through the Mines line for a gain in the game on Thanksgiving Day. While "Fran" MacDougall and "Al" Brown made the All-Conference team, the rest of the Bengal squad deserves no less credit, for their work largely contributed to the stellar work of "Mac" at half and "Abie" at tackle.

COLONIAL BALL

The Colonial Ball is an exclusive—emphatically so—Sophomore girls' event and one of the prettiest affairs of the social season. We regret that we can't tell you more but it is traditional that no man but the modest retiring photographer shall lay eyes on the Colonial maids.

CLASSICAL CLUB PLAYS

Cossitt Stadium lends a very favorable atmosphere to the Classical Club's Greek plays. These occur after warm weather descends, usually some time in May. Historically, these plays are very interesting and instructive, giving one a realistic reproduction of Greek life in the time of ancient Athens.

RIDING CLUB RODEO

Each spring the Girls' Riding Club sets apart a week-end for their annual Rodeo. This is an equestrian track meet, with races and riding stunts included in the events, and is held at the Rodeo grounds. We do not know whether the girls succeed in "busting bronchos" or not, but we are sure that they always spend a very pleasant Saturday.

ALPHA KAPPA PSI STUNT

Once each semester the pledges of Alpha Kappa Psi appear in chapel in a brief playlet depicting some event or current situation. These stunts, staged by the business fraternity, are exceedingly clever and chapel is always well filled when Alpha Kappa Psi presents its pledges.

. MAGNA PAN-PAN

Magna Pan-Pan is the annual All-College "roadshow." The girls' societies, the fraternities, and the halls furnish the stunts for this entertainment. Even the faculty members cast aside their dignity long enough to make a contribution.

The nature of Pan-Pan is an evening's performance of uproarious vaudeville. The students are allowed to forget their classroom cares and hugely enjoy the many varied forms of foolishness.

Pan-Pan is staged each year at Perkins Hall on the night before Christmas vacation begins. The object is to stir anew the pep and enthusiasm that quite frequently becomes buried beneath an avalanche of studies and examinations.

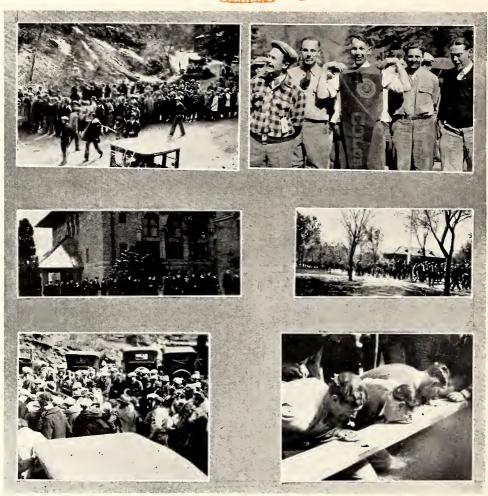

CAMPUS SCENES

The above might be termed a study in climatic contrast. The larger snapshots show the campus after a snowfall. But even then going to class is not unpleasant, for Colorado is noted for its mild climate, and we can enjoy the winter months free from extreme cold.

The smaller snapshots portray entirely different scenes. Here the one and only Jungle is a playground for fair C. C. femininity. 'Tis spring, calm and fair, and joy reigns unconfined.

ALL-COLLEGE PICNIC

Each year when Washington's Birthday rolls around, C. C. dons its hiking clothes and tramps (?) to Seven Falls for the annual All-College Picnic. By lunch time every student has developed a monstrous appetite and waits none too patiently in the bread line for his share of the feast. After lunch the throng is entertained by all kinds of comical contests—pie eating, wheelbarrow races, sack races—until it comes time to go to some convenient place and dance. Night brings many tired people, but none who can say that they have not enjoyed the fun.

INSIGNIA DAY

Some time during the fall the Seniors appear at chapel in full academic costume. The lower classes stand respectfully while the Faculty leads the Seniors through a rose bower formed by the Juniors. The whole ceremony is very impressive, making one realize the honor of being present at such an occasion.

PIKERS' DAY

It is possible for Pikers' day to occur at almost any time during the year. The Juniors and Seniors vie with each other in an attempt to outpike each other. While the Upperclassmen are away to some hidden woodland spot, the Sophomores and Freshmen hold a mock formal chapel and strenuously burlesque Insignia Day Exercises.

JUNIOR PROM

The Junior Prom is the most pretentious affair of the school term. The Junior Class is at this time host to the students and Alumni at a function truly distinctive and widely different from any other social activity.

Imported entertainers, lavish floral decorations and fraternity booths are among the evening's features, not to mention of course, the many forms of tasty refreshments.

OUR COLORADO

For Colorado, our Colorado,

Where the sun shines every day throughout the year,

Where all good fellows are met together,

Where fair maidens ever hold traditions dear.

For Colorado, our Colorado,

Where the Peak, our mighty mascot, towers above.

For Colorado, our Colorado—

Here's to thee, our Alma Mater, thee we love.

Tau Kappa Alpha

Founded at Butler University, 1908 Established Colorado College, 1916

This year, for the first time, women were admitted to membership in Tau Kappa Alpha. Before being admitted to membership, a student must have represented his college in some form of intercollegiate forensic activity. This year the local chapter co-operated with the Denver University chapter in holding the First Annual Debate Conference, March 8, 9 and 10. The National Convention in June, 1926, will probably be held in Colorado Springs or Denver.

Alpha Kappa Psi

Founded 1904

The Sigma chapter of Alpha Kappa Psi was established on the Colorado College campus in 1919. This year the local chapter held a joint initiation with the Beta chapter at Denver University. Alpha Kappa Psi is the national professional and business fraternity and holds monthly dinners at which time some prominent business man addresses the members.

Theta Alpha Phi

Founded at Oklahoma A. and M., 1918

Theta Alpha Phi now has fifty-two chapters in leading American colleges of which the Colorado College chapter is the eleventh. It was established to maintain interest in dramatics and unite socially students and instructors of dramatic ability. Theta Alpha Phi publishes a monthly magazine, "The Cue," to promote national interest in dramatics and to keep each chapter informed of the national affairs of the fraternity.

ADMINISTRATIVE COUNCIL

The present Constitution of the Administrative Council of the A. S. C. C. was adopted by the student body in 1923. It is the student government organization for the College, and in its two years of existence has been markedly successful.

The first year was necessarily largely experimental, and showed that the constitution needed but a few amendments to make the new system very successful. This year the Council has tried to profit by the experience of last year and improve unsatisfactory articles.

Campus activities are centralized under the powers of this Council with various committees: Athletic, Finance, Social, Music, Dramatic and Forensic, Publications Committees which carry on the different activities. These activities receive budgets from the Administrative Council. By this system of organization the financial part of the Campus life is run smoothly.

Men's Disciplinary Council

According to the constitution of the Associated Students of Colorado College, the Mens' Disciplinary Council provides a means of dealing with cases of student misconduct. It tries cases fairly, hearing evidence on both sides, and endeavors to treat them in a manner satisfactory to all. By means of the Mens' and Womens' Disciplinary Councils it is hoped to cure the disregarding of all customs and traditions of which Colorado College has always been proud.

The Women's Disciplinary Council

The Women's Disciplinary Council, working in conjunction with the Men's Disciplinary Council, has tried to enforce many of the college traditions that are considered worth while and yet easily overlooked or neglected. The enforcement has not taken the form of police duty, but rather an effort to create favorable public opinion.

The Council co-operates with the Faculty and with the Student Government Association in directing the disciplinary policies of the college.

Pearson's Dramatic Club, founded in 1901, is one of the oldest active organizations on the campus. Its purpose is to stimulate dramatic activities. In 1923 the club was reorganized and started on a new period of activity. This year Pearson's gave six plays working in conjunction with the Girls' Dramatic Club. Their presentation of "The Clod" was judged as one of the best dramatic performances of the year. It is planned to combine Pearson's with the Girls' Dramatic Club and thus form a much bigger and better dramatic organization.

The Coaches

The success of the Tiger coaching staff can best be shown by the fact that in the three years Coaches Mead and Lavik have been at C. C., three Conference Championship basketball teams have been produced and one golf championship. Our football teams, while not being first in the percentage column, were always contenders for the title and have always been feared and respected by every opponent. Baseball and track have been in no way slighted. Coach Mead is a true believer in clean athletics and he strives always to keep the old Tiger spirit in the minds of all the men, as well as to mold together teams of high caliber. Coach Lavik is well liked and respected by everybody. His resignation, taking effect this spring, is keenly regretted by the whole student body.

COLORADO "C" MEN

And then it's onward for Colorado,

Fling out your banners to the sky

And let one purpose burn within us—

To win a victory or die.

Then raise a war cry for Colorado,

It gives a promise of victory,

For it's to have and hold the Black and the Gold,

Colorado, our old C. C.

When Colorado "C" men fall in line,

We're going to win that game another time,

For old C. C., I yell, I yell, I yell,

And for our colors, Black and Gold, I yell, I yell,

I yell, and fight, fight, fight for every yard;

We'll circle the ends and hit that line right hard,

We're going to roll old Boulder on the sod, on the sod.

The Football Season

Eleven veterans returned to battle for the Black and Gold in 1924—but Coach Mead faced one of the hardest schedules of his career, with the loss of two All-Conference men and a tackle who was the bulwark of the old Tiger line. The mentor's greatest difficulty was finding someone who could fill the position of Greiner, at quarter, Wesson, at center, and Muncaster, at tackle. Very little talent of the 1923 Freshman squad reported at practice to augment winning prospects. DeFries, premier guard, was stricken with appendicitis after the first week of practice and was doomed to retire for the season. Captain Burghart, quarterback, was out with a bad ankle and rheumatism, received late in the summer. Of the quarterback candidates, Briggs, who had more experience at this position, gained the preference over Spicer. Delaney was back at full, and Hunter was at his old position of half. Moreland was chosen to fill in at the other half and it seemed as though the coaches had developed a fairly smooth running backfield. As for the line, Cox was given a chance at center, gaining the call over Boyd, who had been a Freshman star. Moody went in the guard position vacated by DeFries and Willis was at his old place on the other side of center. At tackles, Brown, a star of the 1923 season, was back and Schoonover was selected to aid in plugging holes. At ends were MacDougall and Gray. The ends were very good, giving the coaches little trouble—and so after two weeks of work and some scrimmages with the

Delaney hits line in D. U. game.

Freshmen, who had a wealth of material, the Varsity, limited to plays, felt half-way ready for their first contest with Western State, an affiliated member of the Conference.

The Crimson and Slate invaders displayed a wonderful overhead game the year before and held the Tigers to a 10-3 score. This element, fresh in the minds of the team, worried them somewhat, but after a quarter had passed, the men realized their superiority and let the "Mountaineers" out with a 20-0 defeat. The true offensive strength of the team was not shown and Coach Mead was dissatisfied.

On October fourth the Cougars of Brigham Young University invaded the Jungle to tangle claws with the Tigers. Coach Mead started the same eleven that had performed against Western State. The offensive failed to run true to form, however, and the Cougars, making a drop-kick in the first period, held a 3-0 lead. In the second half the defense stiffened but the Blue and White defense also seemed impregnable and the desperate attempts made by the Bengals to overcome a 3-0 lead failed.

An atmosphere of gloom pervaded the campus after this setback. Practice the next week was devoted to preparations for the Utah game at Salt Lake City. In the hope of developing offensive strength, MacDougall was shifted from end to half, Halpin taking Mac's place at the wing. Captain Burghart, forgetting his injuries, took his old place at quarter.

D. U. very seldom stopped MacDougall

Regardless of pessimistic dope handed out by sport writers, Colorado College supporters attained that never-say-die spirit and anticipated a victory after a week of hard work. The team entrained to the camp of the Red Devils imbued with the determination to win. They had forgotten that inglorious defeat of the week before and the C. C. fans were confident that the Tigers would bring home the first blood of the season. MacDougall proved to be the triple threat in the backfield—he ran wild among the Utah ends and off their tackles, he was gaining on exchange of punts and was passing with deadly accuracy. In the first half "Doc" Hunter booted a drop-kick in spite of a sudden snowstorm, giving the College a 3-0 lead. Utah started a third quarter drive that almost netted a touchdown, but the line held—as it always could when real danger approached. In the final period "Doc" Hunter again appeared in distinction and abruptly ended one of the Crimson drives by intercepting a pass on the Tiger 33-yard line and racing for a touchdown. Utah was still determined to take the game out of the fire but the Tiger had tasted blood. Their line was impenetrable and the game ended 9-0 with C.C. in possession of the ball in midfield.

The next week brought the heartbreaking game with the University of Colorado, who were guests at the Homecoming fray. The Black and Gold warriors had little opportunity to recuperate after their decisive victory over Utah. Although the Silver and Gold were heavy favorites to win and the Jungle Beast was in none too good shape, spirit was high. The largest crowd that ever witnessed a game on Washburn Field watched the "Big Gray Team"

Aggies are held with a foot to go.

take the kickoff, run the ball back fifty yards, and make a touchdown in less than four minutes. Surprised and dazed as they were by State's onslaught, the Bengals, nevertheless, fought stubbornly for ground. But the Boulder football machine was too powerful and steadily pushed the smaller and lighter team back, leading at the end of the half, 20-0. In the third quarter MacDougall and Hunter made long gains around end and off the Boulder tackles, keeping them continually on the defensive, but the ball never went over for a touchdown. The "Big Gray Team" again put the ball over in the fourth quarter after a series of passes by Captain Chilson and a mixture of line plays that confused the tired and worn-out Tigers. MacDougall and Bohn then engaged in a punting duel with the former gaining slightly in yardage. Boulder won, 26-0, realizing all the while that they had played a real game of football, with plenty of opposition all the way through. It was the first Colorado victory on Washburn Field for many years.

With several regulars out of the game because of injuries, Coach Mead was kept busy the next week preparing a lineup to send against Denver University. Halpin was ineligible and Captain Burghart's ankle kept him from doing his best. McAllister and Briggs were tried at end and both used in the game at Denver. Spicer was held in readiness to step into the quarterback's place in case Burghart was forced to the sidelines.

The Crimson and Gold eleven displayed a stubborn defense, for although the Clawmen ripped their forward wall to pieces at times, they could not overcome D. U.'s 3-0 lead which was made in the first period after two long runs

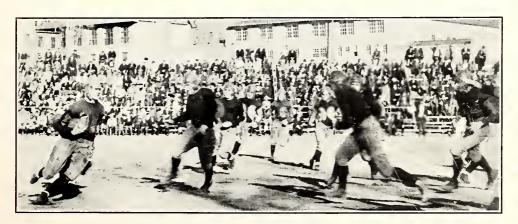

"Mac" circles the Aggies end for twenty yards.

and a place kick by Captain O'Donnell. MacDougall displayed marvelous work on returning punts and running through the Pioneer team. His tactics bewildered D. U. but when the Tigers found themselves within scoring distance they lacked the punch to put the ball over. Drop-kicks simply would not find their way between the bars. C. C. was playing "out of luck," and it seemed as though they could not win. So we took our second 3-0 defeat of the season, in a game somewhat similar, in many respects, to the B. Y. U. struggle.

The whole season was a series of upsets as was demonstrated in the game the following week. Aggies were heavy favorites to beat the now thrice de-It was Homecoming Day for the Farmers and all their Alumni were present to enjoy the pleasure of seeing their team twist the ancient enemy's tail. Houser, of Aggies, punted from his own five yard line on the second play after the kickoff. Before he could get the ball away, five Bengal linemen were upon him, blocking the punt. Brown pursued the elusive ball across the goal and fell on it for a touchdown. Hunter kicked goal. The heavy Farmer eleven then determined to overcome this lead and win—and they gave many promises of doing so. Three times they brought the ball inside the five yard line, but only once were they able to score. They gained in midfield but could not pierce the C. C. line when yards were needed. The Little Lunnon team came back strong in the second half and outplayed the Green and Gold. MacDougall gained at will and kept the Aggies always on the defensive. When the Farmers threatened, the lanky "Mac" kicked out of danger, once booting the pigskin over the safety's head for eighty yards. That night the special train to Colorado Springs held a riotous crowd of students who were celebrating their 7-6 victory.

"Fran" returns a punt to Wyoming's three-yard line.

The following week Wyoming University was welcomed heartily and clawed into pieces. The offensive hit its stride and after sixty minutes of terrific playing, the Cowboys were lassoed and branded, 28-3. MacDougall, Spicer, Briggs, in fact the whole backfield, made long gains during the last half through wide holes opened by the Bengal line, which charged as a unit.

In the Turkey Day game, the Tiger ended the season in a blaze of glory by chewing the Blasters from Golden to pieces, 14-0. Many veterans, defending the Black and Gold in the moleskins for the last time, played their best and demonstrated their ability to a finish. The Miners had no chance to get their plays well started, Gray, Willis, Schoonover and Brown tackling many of their backs before they came to the line of scrimmage. The Bengal forward wall was breaking great holes, the backs were going through for consistent gains, the interference was perfect and it seemed as though we were unbeatable. The Orediggers were worn out by a maze of bewildering forward passes, line bucks by Delaney and long sweeping end runs by MacDougall. When the final whistle blew, the season had ended—a season of serious upsets, joy and gloom, glorious victory and miserable defeats.

Colorado College lost to some of the weakest teams in the Conference and yet defeated Utah U. and Colorado Aggies, two of the strongest teams. It was somewhat disappointing to see the Tigers finish in fifth place, but scores are not all that count and we feel justly proud of the team. With two All-Conference men and several who received honorable mention, the season was far from being a bad one. Graduation takes many good men from the ranks next year—they

will be greatly missed and their places will be hard to fill—but many veterans will return and with the added strength of numerous star freshmen, we look toward the 1925 season with renewed hopes and promises of a more successful year than ever before.

ROBERT BURGHART, CAPTAIN, Colorado Springs

Quarterback, Four Years

A good leader and quarterback. "Bob" had a bad ankle at the start of the season but rounded into shape in time to lead the Tigers to a 9-0 victory over Utah.

FRANCIS MacDOUGALL, Denver

Halfback, Three Years

All-Conference end for two years and unanimous choice for All-Conference half this year. Was the best triple threat man in the conference.

ALBERT BROWN, CAPTAIN-ELECT, Colorado Springs

Tackle, Two Years

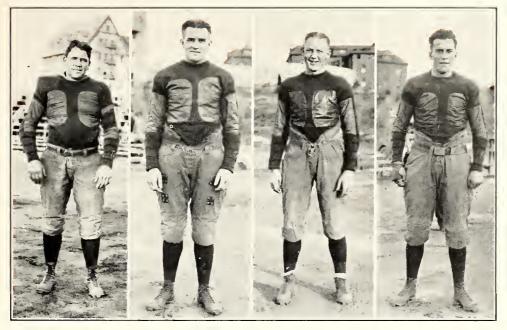

Was chosen unanimously for 1924 All-Conference tackle. "Abie" will make an excellent leader for the Tigers next fall.

ARTHUR GRAY, Colorado Springs

End, Three Years

It was a fast man that could circle "Chief's" end. Not spectacular, but was always on the job. Made a strong bid for All-Conference.

THOMAS WILLIS, Greeley

Guard, Two Years

Backed up the line on defense and was in every play. His tackling was sure and hard. "Tom's" fighting spirit was in evidence at all times.

STANLEY DELANEY, La Junta

Fullback, Three Years

"Stan" played a steady game all season. Could always be relied upon for a gain when needed. Was very strong on defense.

ALFRED COX, Grand Junction

Center, Two Years

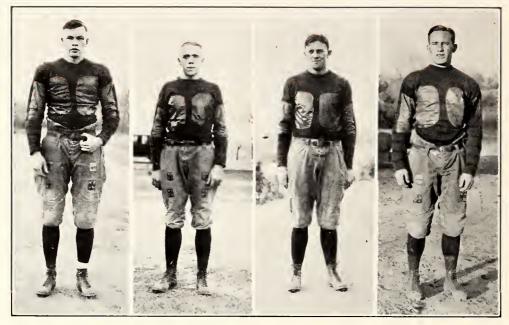

"Al" filled a big vacancy left by "Swede" Wesson. Full of fight and always on the job, "Al" won the respect of every man on the squad as well as the rooters.

HUBERT MOODY, Pueblo

Guard, One Year

"Hub" played a great game for a new man. Has the size and strength and will be needed next fall.

EDMUND McALLISTER, Denver

End, One Year

"Tiger Mac's" showing in the Aggie game landed him a regular berth at end. "Mac" gave his best at all times.

PICKETT GOVREAU, Rocky Ford

Guard, One Year

One of the pluckiest men on the squad. Took things as they came and never complained. Will not be back next fall.

JOHN SCHOONOVER, Eaton

Tackle, Two Years

"Pewee" played a consistent game all season. Was on the passing end of Coach Mead's famous spread plays.

HAROLD BRIGGS, Denver

Back, One Year

Size is all that kept "Hayes" from being as famous as his brother, "Slant." His sensational end runs gained many a needed yard.

IRVINE HUNTER, Delta

Halfback, Three Years

Noted for his speed and dropkicking. "Doc" gained a place in the Tiger hall of fame by scoring all 9 points against Utah.

THOMAS HALPIN, Greeley

End, One Year

This "Fighting Irishman" diagnosed opponents plays before they were well started. Should be a great asset to the team next year.

FLORIAN BOYD, Denver

Center, One Year

"Flo" made an exceptionally good showing in his first year out. With more experience he will be a very valuable man.

HARRY SPICER, Pueblo

Back, One Year

"Spic" was the Tigers' handy man, playing well at quarter and halfback. Shows great possibilities as a field general.

WALTER WOOD, Denver

Guard, One Year

"Woodie" could fill a big gap in the line when called upon. Was a sure tackler and mussed up his share of plays.

WILLIAM ALBERT, Colorado Springs

Manager

Football this season was marked by a greater financial success than ever before. This is sufficient proof of "Bill's" ability.

Freshmen Football

This year's Freshman squad was marked by the presence of an abundance of football material. The Yearlings were able at all times to give the Varsity a run for their money and contributed in no small measure to the success of the Tiger team.

The Baby Tigers played the Boulder Frosh and the Mines Yearlings. Overconfidence caused the Cubs' downfall at Boulder, 14-7. However, they tore the Mines freshmen to shreds to the tune of 48-0. The Mines crew was helpless before the versatile and powerful attack of the Frosh team.

With all the Freshmen back in school next year the Tigers should be serious contenders for the football championship. The following men made their numerals: Cecil, Nelson, Giggey, Miller, Schoonover, Bell, Wood, Thierfelder, Manager Broadbent, Bender, Sloan, Gormley, Osborne, Herstrom, Witherow, Wade, Downing, Roessner, Cool, Bevan, Hopper, Jory, Brown, Warner, DeNoya, Bitzer and Ryan.

BASKETBALL

The Basket Ball Season

At the beginning of the 1925 basketball season the prospects for another championship team were not as bright as they had been the year before. The Patterson and Bruce combination which had been the backbone of the championship teams for the last three years was gone. Dan Warner, All-Conference guard, had not come back to school and there were only four letter men to form the nucleus of a team. The coache's hard problem was to find men who would be able to fill the vacancies and fit in with Captain Broyles, Mueller and Wood. The abundance of new men gave plenty of good material, and finally Ryan and Kiddoo won the honors from a host of other likely candidates.

In the first two practice games of the season the Tigers were beaten 50--52 and 28--29 by the fast Hogle-Allison team from Denver. The first game went for extra periods and was full of thrills all during the last half. Many substitutes were used, enabling Coach Mead to get a line on his men. Despite their defeats, the Tigers made a very impressive showing in these games.

The Tigers started the Conference scason very auspiciously by scoring a 49-37 victory over Greeley Teachers College and beating Western State 55-24. The Black and Gold short pass attack clearly demonstrated its superiority, allowing C. C. to score almost at will. Championship hopes soared.

However, Greeley handed the Bengals a surprise when they won on their own floor 24--19. This showed the Tigers that the Championship race could not be won in a walk and served to make them more determined than ever.

The next three games were against Wyoming, Aggies and Mines in Colorado Springs. The Clawmen won the first two easily, 33-25 and 34-14, but seemed to slump against Mines, barely nosing them out by a 30-29 score.

The slump continued through the next week and the team lost to Wyoming 20-26 at Laramie. With two losses against them, the Bengals went into the second Aggie game with a vengeance. The Farmers never had a chance to win, being dazed by the whirlwind speed of the Jungle Beast. The final score was 40-9.

Prospects for winning the game at Boulder were brightened by the apparent recovery from the midseason slump. Many were afraid, however, that Boulder luck and the disadvantage of a strange floor would spell defeat for the Tigers. But "Dutch" Mueller came to the front and ran wild against the Boulderites. In addition to giving a dazzling exhibition of floor work, he scored 22 of his teams total points, making the winning basket in the last minute of play. Score: C. C. 30; Boulder 29.

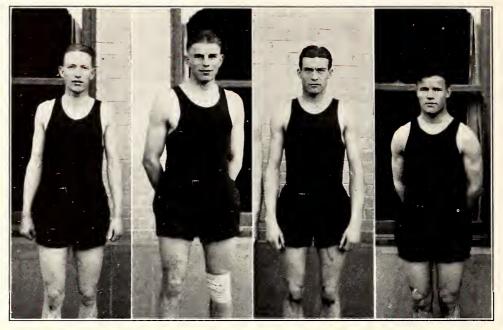

Colorado College now had the edge on Colorado University for the Colorado-Wyoming title. The Tigers humbled D. U. in two games, 31-18 and 39-17, in successive weeks. On February 28th came the chance to cinch the sectional championship against the Orediggers, but the age-old jinx that stalks the Black and Gold at Golden gave the Blasters a 21-19 victory.

The second game with State was the deciding one for the Eastern Division title. The City Auditorium was packed by a howling mob of rooters for both teams who anticipated a glorious battle. But the Bengals showed so much more class than the Silver and Gold that the game resulted in more or less of a track meet. At the end of the first half Boulder trailed 22-8 and ten minutes before the final gun the Tiger substitutes went in to finish the game which ended in a 36-19 victory.

C. C. made a clean sweep of the three game series with the big Blue and White team of Brigham Young University for the Rocky Mountain Conference Championship. It seemed that the team had struck its real stride and the Cougar quintet was outclassed in every game. The Bengals won the first game by a score of 41-32; the second by a score of 42-34; and the last by a score of 39-15. As a result of these games the Tigers are Champions of the Rocky Mountains for the fourth consecutive time.

At the close of the season critics stated that the 1925 team was the greatest that Colorado College ever produced. Captain Broyles, Mueller and Kiddoo, forming a powerful offensive, used an unbeatable short pass attack, while Ryan and Wood at guards smothered everything that came their way.

G. E. BROYLES, Captain, Colorado Springs

Forward, Three Years

All-Conference forward. "Goldie" was the hardest worker on the team. His ability to hit the basket from every angle made him high scorer of the conference.

EARL MUELLER, Captain-elect, St. Joseph, Missouri

Forward, Two Years

All-Conference center two years. "Dutch" was the outstanding player of the year and is rated as one of the cleverest basketball players ever seen in the Conference. His handling of the ball made all his opponents look foolish when they tried to guard him.

ARTHUR KIDDOO, St. Joseph, Missouri

Center, One Year

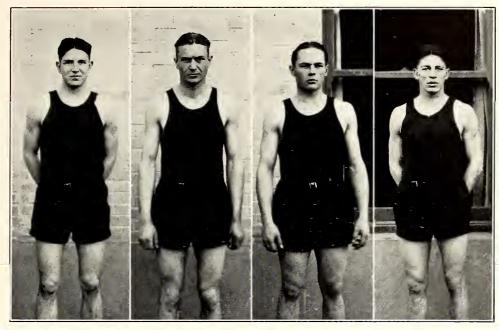

"Art" was high scorer among the Conference centers but was not consistent enough to make the first All-Conference team. He showed plenty of fight at all times and his floor work was exceptionally good.

CLARENCE RYAN, Colorado Springs

Guard, One Year

"Fifty's" speed disorganized the opponents offense before it could get under way. His pep and spirited play kept the team moving at top speed in every game.

WALTER WOOD, Denver

Guard, Two Years

Playing at stationary guard, "Woodie" did not have the chance to be as spectacular as the rest, but he mixed it with everybody. Took great delight in breaking up the opponent's shots and their passing game.

ALBERT BROWN, Colorado Springs

Guard, One Year

"A.B.," with little or no high school experience, by the end of the season proved himself to be one of the most dependable men on the squad. Should go strong next year.

FORREST PHELPS, Colorado Springs

Guard, One Year

Very keen competition was all that kept "Fat" from being a regular this year. Understands the game, is not easily fooled, and it is a good man who can get behind him for a shot.

HARRY SPICER, Pueblo

Forward, One Year

Follows the ball well and is a very scrappy man. "Spic" can be used at guard as well as forward, playing both positions very creditably.

WILLIAM YOUNG, Colorado Springs

Forward, Two Years

"Bill" was fast and had a good eye for the basket. He was an excellent floor man, being able to work the ball under the basket for many easy shots.

JOE POER, Colorado Springs

Center, One Year

Has the honor of being the high scorer among the Tiger "subs." Joe has an easy style of play, is a good defensive man and works well in a short passing game.

ERNEST SIMPSON, Pueblo

Forward, One Year

"Ernie" has a world of speed and handles the ball easily. His specialty is long shots. Will be an asset to the squad next year.

LEES ARMIT, Colorado Springs

Manager

Always gave the team the best of everything. Had a good business head as was shown by the manner in which he handled the State High School Tournament.

State High School Basketball Tournament

The annual State High School Basketball tournament was held this year at the City Auditorium under the auspices of Colorado College and the C. C. Boosters Club.

The following nine teams, winners in their respective divions of the State league, were entered: Greeley, Pueblo Centennial, Ft. Lewis, Sargent; Ft. Morgan, Simla, Fowler, Wellington and Englewood. Of these teams Greeley and Pueblo Centennial finally demonstrated their superiority over the rest and played each other for the championship. In the final game Greeley took an early lead and cooly held it throughout the game despite the determined efforts of Centennial to pull the game out of the fire. Greeley, by winning this game, 23-18, became State Basketball Champions.

Johnson, of Greeley, and Coatney, of Fowler, were first and second high score men of the tournament with 60 and 40 points. Mashburn, Captain of Greeley, was conceded to be the best guard. Ft. Lewis was given the sportsmanship flag.

TRACK

1926

The Track Season 1924

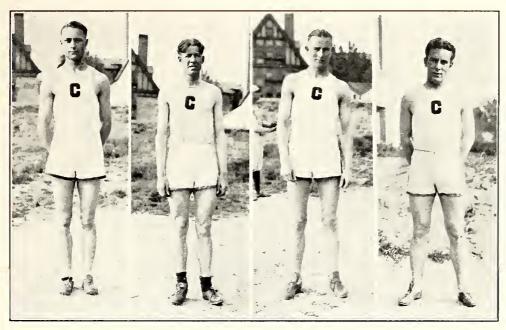

The lack of men, as usual, handicapped the Tiger track team of 1924. With seven letter men back: Captain Hamilton, Briggs, MacDougall, Kidder, Patterson, Greiner and Sewell, Coach Mead set to work early in the spring to develop a track team that would make a creditable showing in the Conference meet. The Tigers first chance to show their wares was in the telephone meet with Aggies. The C. C. team easily won this, taking a great number of first places and with MacDougall running the 220-yard dash in record time.

On May 17 the Bengals mingled spikes with the Western State men on Washburn Field. C. C., due to the absence of several men, barely won a 66-65 victory. The relay proved to be the decisive event of the day.

The Conference meet was held on Washburn Field on May 24. Utah Aggies easily took the title from Boulder where it had been for the last four years. Despite the rain and mud, two Conference records were broken. Mullins of D. U. established a new record of 22 2-5 seconds for the 220-yard low hurdles. Wullstein of U. U. hurled the javelin 166 feet, 53/4 inches, for a new Conference record. Bachman of Montana was the individual high point man of the day, winning the mile and two mile events.

WESLEY HAMILTON, Captain, Denver

Quarter Mile, Relay, Three Years

"Ham" made an excellent captain. Is one of the fastest quarter milers in the Conference and never fails to place in the Conference meet.

ROY KIMMEL, Colorado Springs

Half Mile, One Year

Roy made his letter in the Aggie meet. He has the ability and should be a valuable man next year.

KENNETH SEWELL, Captain-elect, Las Animas

120-Yard Hurdles, Pole Vault, Broad Jump, Three Years

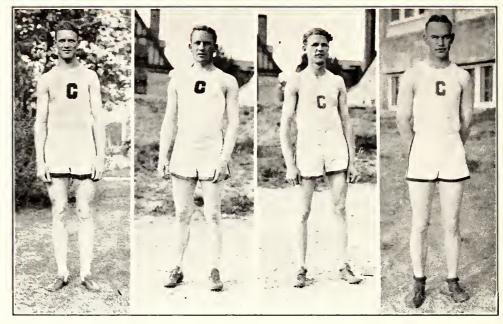

Works in a great many events and excels in all of them. "Ken" has the respect of all his teammates.

DONALD HERZER, Dodge City, Kansas

Javelin, One Year

Won his letter against very keen competition. "Mike" throws the javelin with beautiful form and will be needed next year.

FRANCIS MacDOUGALL, Denver

Dashes, Relay, Three Years

Has a beautiful stride and is rated as one of the fastest men in the Conference. A bad knee kept him from winning the Conference 100-yard dash last spring.

HAROLD BRIGGS, Denver

220-Yard Hurdles, Relay, Three Years

"Hayes" is proof of the saying that "Size isn't all that counts." He demonstrates it by his speed in the hurdles.

EDWARD BEVERS, Colorado Springs

Half Mile, One Year

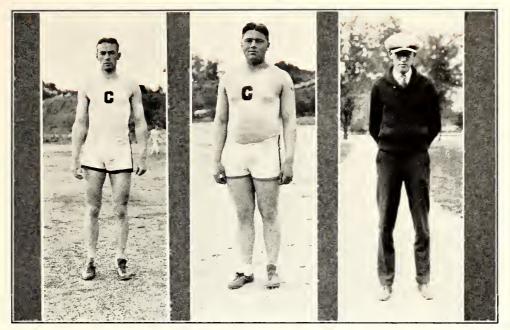

Made his letter the first year out. "Ed" looks like a comer for next year.

PERRY GREINER, Denver

220-Yard Hurdles, Three Years

Is a very consistent man in the hurdles. "Perry" is quiet but always gets results. Will be missed next year.

EDWARD PATTERSON, Colorado Springs

Quarter Mile, Relay, Four Years

"Pat" had the stamina and fight and always came in strong at the finish. Will not be back next year.

WILLIAM MORELAND, Simla

Shot Put, One Year

Used his size and weight to good advantage. Won his letter in the Aggie meet. "Bill" should go strong next year.

JOHN HOLLAND, Colorado Springs

Manager

Is popular with the men and well liked by the coaches. John made a very successful manager.

THE BLACK AND THE GOLD

The Black and the Gold, the Black and the Gold,

Defenders of the colors that we wear.

Beneath them we'll fight, boys, from morning to night, boys—

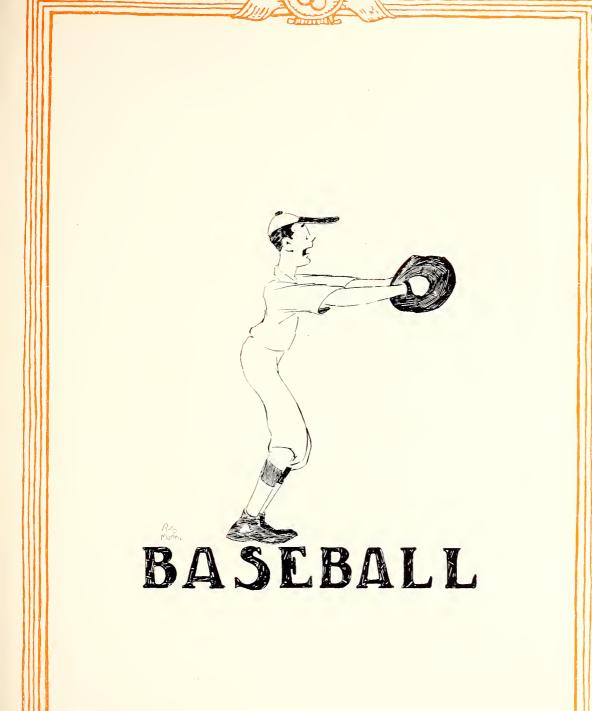

They're floating on high in the air.

If foes e'er assail, we never shall fail

To defend them like warriors of old,

For we're right behind you wherever we find you,

Under the Black and the Gold.

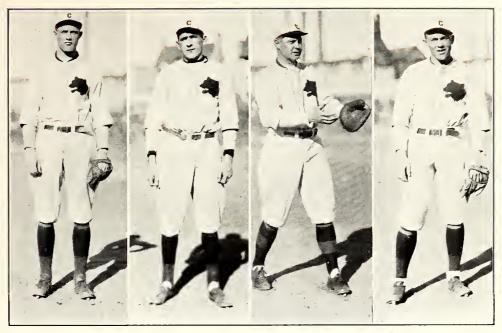

The Baseball Season

The 1924 baseball season, although it started with a 13-10 victory over Mines, did not prove to be successful as far as games won are concerned. The showing of the team, however, was due in a large measure to the breaks of the game rather than to poor playing on the part of the Tigers. At the start of the season Coach Lavik had eight letter men from the year before to form the nucleus of a new nine. The men were: Captain MacDougall, Wesson, Robinson, Louthan, Bruce, Wood and Strother. In addition to these, several new candidates reported that showed promise of developing into stars. But lack of pitchers, which seems to be the usual shortcoming of Tiger baseball teams, handicapped our chances. No reserves were available and many apparently safe leads gained by Bengal sluggers in early innings were lost later when opposing batsmen got their eyes on the ball.

At the close of the season Wesson had the highest batting average of the Conference, .585. MacDougall, Crowder, Greiner, Spicer and Wood all batted .300 or better. Many new men discovered, and the team, as a whole, showed improvement over the year before.

Prospects for 1925 are bright. Since Coach Lavik has been in Colorado College he has been striving to perfect a definite system of baseball and only time and effort is necessary for it to be successful. The experimental stage is over. Next year, with the return of most of the veterans and an abundance of new men, the Tigers should develop into one of the strongest teams in the Conference.

FRANCIS MacDOUGALL, Captain, Denver

Third Base, Three Years

"Fran" was shifted from his regular position at first to third this year. He plays like a professional and hits well above .300. Will be back next season.

JOSEPH BRUCE, Colorado Springs

Catcher, Three Years

His headwork behind the bat was faultless. "Pike's" ability to judge opposing batters was a great help to his pitchers and pulled them out of many "holes." "Pike" will be missed next year.

CLARK ROBINSON, Colorado Springs

First Base, Four Years

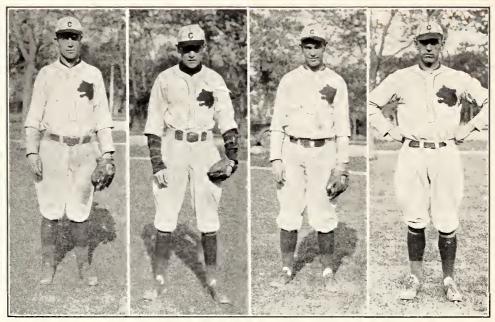

"Clarkie" played first in great style and sometimes acted as relief pitcher. Steadied the whole infield by his dependable playing and made many sensational catches. Will not be back next year.

PERCY DOBBINS, Rocky Ford

Pitcher, One Year

His excellent control made him a very steady pitcher. He handled himself well in the box and was very good with the bat.

ROBERT CROWDER, Captain-elect, Denver

Second Base, Two Years

"Bob" held down the keystone sack with a high fielding average. He pulled the first Mines game out of the fire by knocking a homerun with two out and the bases full.

DWIGHT STROTHER, Colorado Springs

Outfield, Two Years

Not a strong man with the bat but made up for it by his playing in the outer garden. Dwight made many hard chances look easy. Will not be back next year.

PERRY GREINER, Denver

Outfield, One Year

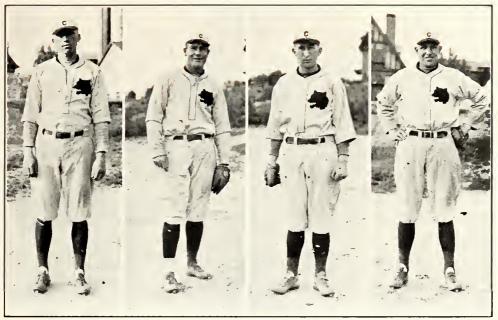

Playing his first year of baseball, "Pep" showed that he should have been on the squad before. His fielding was dependable and he was a heavy hitter, especially in a pinch.

LESLIE MORELAND, Simla

Catcher, One Year

"Les" held down the receiving end of the battery in great style. It was a fast man who could steal second on his peg. As a batter, he was a constant worry to opposing pitchers.

J. T. WESSEN, Denver

Shortstop, Four Years

One of the best hitters in the Conference. "Swede" played short this year but he was at his best in the outfield. Will be missed very much next season.

AUBURN MUNCEY, Montrose

Outfield, One Year

"Tex" played a steady game all season. Was very consistent at bat, coming through with many a timely hit.

EARLE LOUTHAN, Littleton

Pitcher, Four Years

"Roasty" had lots of smoke and a sharp breaking curve. These, combined with his pitching experience made him a very valuable man. Will not be back next year.

WALTER WOOD, Denver

Outfield, Two Years

Not flashy or spectacular but a good dependable fielder and a hard hitter. Any ball that came "Woodie's" way was certain to be a putout. "Woodie" will be an asset to the squad next year.

HARRY SPICER, Pueblo

Outfield, One Year

"Spic's" specialty was threebaggers. Was a very fast outfielder and had a free and easy manner about his playing that made everything he did look easy. Should make a strong bid for All-Conference next year.

GLENN McLAUGHLIN, Albuquerque, New Mexico ${\it Manager}$

1 (11-

Glenn was popular with all the members of the squad and made a success as manager.

MINOR SPORTS

1926

Intramural Basketball

This year the intramural basketball season was more successful and popular than ever before, due to the closeness of the race, which had to be decided in a post-season game, and the high quality of basketball played. The Betas and Phi Gams were tied at the close of the season, each having lost one game and won eight.

In the playoff, the students turned out en masse to see the interfraternity championship decided. Hopper, of the Betas, got "hot" in the first half and gave the Betas a slight lead. The Fijis came back with a vengeance in the second half and threatened seriously to run the game into extra periods. But they had poor luck on some of their shots and the Betas finally won 12-7. Hopper, making 11 of his team's total points, and Waldron, by his floor work, starred for the Betas. Gray played a very tight defensive game for the Phi Gams, while Weimer and Schoonover shone in their floor work.

The campus league, dropped for several years, was again organized last spring. A great deal of interest and enthusiasm was shown at these contests even at the early hour of six. Close scores featured throughout the season and quite a bit of talent was displayed by various members of the different teams. The Sigma Chis, by winning all six of their games were champions of the league, beating the Betas in the final game, 2-1.

Minerva Literary Society

This society was founded in 1891 but we fail to see why. Men have often wondered why it was founded, but no satisfactory answer has yet been given. The badge is an automobile tire in the center of which is an eel twisted about so as to form a large M. The tire represents the type of vehicle that the girls desire to ride in and the eel is the age-old emblem of slickness. In selecting a name the founders chose Minerva, thinking that the goddess would be pleased and bestow upon them some of her charms, but did she? This society has three active members. This was determined by an interview with one of its members. The number of pledges she was unable to give as they had not had a meeting since the day before. Just because they are the oldest society on the campus, they think they have the best of everything, including clubhouses.

Alumni Letters

PI KAPPA ALPHA

May 37, 1925.

DEAR ALUM:

This is to remind you that our Formal is not far off and we sincerely beg of you to attend. We again want to entertain you within the walls of the old homestcad.

As this Formal is to be very elaborate and pretentious it will take every cent possible to finance this party. We don't want to force any unnecessary hardship upon you, but if you can, we would greatly appreciate if you could arrange to pay your long overdue bill of \$.23.

Beta Rho of Pi Kappa Alpha has made a great showing this year. The lion's share of the honors go to Brothers Gray and Davies. Brother Gray was a prominent figure among both the Sophomore and Junior classes this year. Lack of time prevented him from taking part in Senior activities also. It was indeed unfortunate that Brother Davies was forced to quit school due to financial difficulties incurred shortly after the close of semester exams.

The splendid scholastic standing of Brothers Hutchinson and Adams made it possible for us to be third time winners of the Scholarship Cup in as many years.

Again we urge that you co-operate with us in cleaning the debts off our books.

Yours bindingly,

MARKS.

PHI DELTA THETA

Sunday Morning, 6:30 A. M.

DEAR ALUM:

Alumni, rush to your colors! It is you who must help solve the house problem. The situation that we are in has become most embarrassing. Our present residence is sold and we have no place to go. The Brothers threaten to strike and not return to school next fall unless they can be assured of sleeping quarters. We have established a fund with which to purchase tents for next fall as we can't say definitely when our new home will be ready for occupancy. The building campaign has progressed nicely and we have only \$60,000 more to raise. Who wouldn't be optimistic?

Phi Delta Theta has been especially active and very influential in College affairs the past year. We are proud of the close friendly association which Brother McCool has formed with President Microw.

We have willingly sacrificed our varying forms of pleasure in order to realize our dreams of a new home. Although we have mismanaged the building fund and haven't a cent, you must give us credit for having the right idea. We would appreciate your hearty co-operation in this stupendous undertaking.

We close with our open motto—"Eis Anair Oudeis Anair."

sKull and Keys Klub

The sKull and Keys Klub was organized so that a group of Sophomores could get their pietures in this book—and here it is. Even though they did have mereenary motives they ARE a good looking bunch, aren't they? The none too sober fellow at the lower left is Bill Dennis. The pale member in the top row is Roy Burghart. He probably works too hard—and his complexion shows it. The winking one is John Lindas—proof of his witty and merry disposition. We have three (?) musicians in this group—Art Gow, K. K. Kollman, and Beverage Gray, but they refused to disclose their position in the picture. The squint-eyed man in the center is Bill Hall, and—oh—yes—the good looking one next to him is Dinty Moore.

AMID the ever changing fashions there remains one certain fact—that here in Colorado Springs this store is always to be found showing the correct new things first. It may be afternoon or evening apparel, it may be sports apparel or it may be accessories or novelties. If they are new and correct, they are here.

Contemporary Literary Society

Eight years after the Minervas broke loose the Contemps cracked the egg and got started like a tornado in Kansas. The society was originally founded to run competition with Phi Beta Kappa, but it soon became more of a social organization. Possibly this was done because competition was too strong. This society will not pledge a girl in these days unless they think she is capable of making that far famed scholastic fraternity. They always win the Scholarship cup. We don't know what their pin is supposed to represent. In giving the rating of this society on the campus we suppose we would put it with the first three. Their colors are red and white. The red was taken from the lining of a toreador's cape and the white was used just because it makes a good combination.

KAPPA SIGMA

April 57, 1925.

DEAR ALUM:

The eve of the National Conclave is at hand and we have received many generous donations from the Alumni who are planning to attend, but don't feel that we expect this from you. When you hear of our lavished plans you will extend every effort to be here.

June 30, July 1 and 2 are the three eventful days. The convention will be opened by one of our famous breakfast dances at the Cave of the Winds. The morning program will consist of an address of welcome from Brother "Red" Amos. After this the party will ride over to the Garden of the Gods. Transportation will be furnished by Brother Mierow who has kindly consented to provide us with bicycles. These are merely a few of the features. In addition to this there will be a basket lunch supper, a corn-husking bee and many other delightful attractions.

Come one, come all! (Bring your money, too.)

Yours in our great brotherhood,

Вовву.

SIGMA CHI

Saturday Night.

DEAR ALUM:

The continual never-ending rush makes it almost impossible to correspond with our Alumni as frequently as we should but we hope you'll pardon our neglect.

It was with immense satisfaction that we read in last week's paper wherein you had cleaned up another million in oil and thanks for the check for five dollars you sent us.

We pledged twenty men this last fall and still hope to eventually initiate the entire lot. However, it has been necessary to call in some of our husky Alumni to help maintain law and order among them at times.

We have been conspicuously active this year and have attended classes occasionally on the side. Brother Dennis conducted a highly successful column in the Tiger this year which was enthusiastically endorsed by the athletes, especially MacDougall.

Must close now. We'd be glad to hear from you at anytime. It was indeed fortunate for us that you did so well in oil.

Yours in bond,

Томму.

Hypatia Literary Society

It is thought that this society was founded by a group of girls that had not made any society. They saw the need for another society and banded themselves together. For a badge they selected the head of an ancient battle ax as emblematic of the old fighting spirit of the group. Hypatia is the Greek work for HABIT and they require all their pledges to form at least one, like fussing. Their colors are green and white. The Dandelion is their favorite flower although the society chose the Daisy. The Dandelion is such a pretty weed. It has been rumored that one of the local sororities at Northwester has been petitioning to the Hypatias, but the Hyps will not grant a charter to any organization in a small school.

Alumni Letters

BETA THETA PI

December 25, 1925.

DEAR ALUM:

No doubt you may think that this is another plea for big round dollars but on the contrary it is not. (However, you may send in another installment on your \$98.75 debt if you wish, as there is still a balance of \$98 due.) But we are anxious to clean up all our little debts.

Of course all Alumni are intensely interested in the achievements of Beta Theta Pi and it is a pleasure to inform you of some of our activities and various other honors. Brother Kimble attended his eight o'clock classes for one consecutive week. Brother Moore placed first in the Nugget Beauty Contest. At the writing of this letter Brother DeFries was still leading by a big margin in the Monty Hall Parlor Handicap. Brother Brown poured at a recent meeting of the Fortnightly Sketch Club. Brother Mueller has been elected president of a recently organized club that has for it's aim a more strict observance of training rules.

Drop in for a chat some time and see what a splendid organization of clean, active young manhood we have.

Yours for bigger and better Betas,

CHARLIE.

P. S.—Don't forget the \$98.00.

PHI GAMMA DELT

Thursday Evening.

DEAR ALUM:

It is with great pride that we point to our remodelled dwelling. Our recent housewarming greatly reduced the problem of furnishing our home but as yet we haven't worked out a satisfactory plan to pay our notes. It begins to look as if you Alumni will have to pay up that which you promised.

The political situation is most satisfactory. We have an organization that embodies the basic principles of all powerful governing bodies. Brothers Stockdale and Powell have proved their worth as campaign managers. A recent canvas of the halls reveals that these two loyal cohorts have firmly planted the spirit of Phi Gamma Delta in the minds of the fair sex.

Although the College authorities have forbidden fraternity tables in the houses we have taken a definite step toward that goal by establishing a similar table at the Southern Tea Room under the auspices of Captain Sewell.

With Seven Falls and Vanderhoof's Cabin among our choicest possessions, it can be easily seen that our supremacy shall continue.

Yours in the bonds,

AWTHUR.

"eats"

Hot house grapes from England; endive from Belgium; cheeses from France; grapes from Spain and Argentine; pineapples from Hawaii—we've had all these in our store at one time.

With a variety of quality things to eat, it's no wonder we supply so many dinner and luncheon needs. Our own bake shop, too.

Alumni Letter

DELTA ALPHA PHI

Ides of March.

Dear Alum—if you are—why you are—and where.

We don't suppose anyone will ever receive this, but writing to Alumni seems to be quite the fad among the older fraternities so we feel that we should start in also.

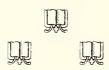

Our one ambition is to have Alumni scattered about the country. We believe that we are about to realize the beginning of this ambition as Brother Glass may graduate this year.

It seems that the average fraternity bases their strength on the number of its Alumni but we are going to base our strength on something else for awhile. We haven't found what that something else is yet but will let you know when we make the discovery.

We are always very glad to see anyone. Just drop around to the house any time.

Yours Constantly,

BLACKIE.
